**CareChex® Ranks McBride Orthopedic Hospital *Top 100 in Nation* for
Medical Excellence in Spinal Surgery**

[OKLAHOMA CITY, January 9, 2024] McBride Orthopedic Hospital has been recognized as *Top 100 in Nation* for Medical Excellence in Spinal Surgery. McBride’s 2024 quality award is from CareChex® — based on their comprehensive quality scoring system, that compares inpatient quality performance across general, acute and non-federal U.S. hospitals.

“McBride continues to receive quality-based awards from CareChex® each year, which reflects our commitment to quality and magnifies the exceptional dedication of our physicians and employees throughout the organization,” said Mark Galliard, CEO.

CareChex Awards by [Quantros](#) utilizes a peer-reviewed risk-adjustment methodology to more reliably measure rates of mortality, complications and readmissions — appropriately weighting and accounting for all of the risk factors relating to a patient’s principal and secondary diagnosis, as well as other patient characteristics that may increase the probability for adverse clinical outcomes. These rankings do not include any self-reported data.

McBride Orthopedic Hospital is a 100% physician-owned specialty hospital accredited by DNV GL – Healthcare. Physician-owned healthcare organizations provide high quality, efficient, patient-focused care, equal access, patient choice, price transparency and higher patient satisfaction.
